**NLI Signing Period**

The signing period for six sports programs (football, field hockey, men’s and women’s soccer, and men’s and women’s track & field) began on February 2nd. See below for some frequently asked questions regarding prospects who have signed National Letters of Intent.

Q. How long is a prospective student-athlete considered to be a prospect?

A. A prospective student-athlete remains a prospect even after signing a National Letter of Intent or financial aid agreement to attend UNC. The prospect, the University, its staff, and boosters are all governed by recruiting regulations until the prospect reports for regular season practice or attends his/her first day of classes in any regular term (i.e., fall or spring).

Q. Is it permissible for athletics department staff to contact a prospect who has signed an NLI?

A. Yes. Noncoaching institutional staff members may make telephone calls to or receive calls from prospective student-athletes (or their parents or legal guardians) THE DAY AFTER the prospective student-athlete signs an NLI.

Q. Is it permissible for staff members or a booster to assist a prospect (who has signed an NLI) with pre-college expenses?

A. No. Neither UNC staff nor boosters are permitted to offer, provide, or arrange financial assistance to cover a prospect’s expenses (educational or otherwise) for any period prior to his or her enrollment. This applies even to those prospects who have signed an NLI or financial agreement to attend UNC.

Please remember that the same prohibitions against the provision of extra benefits to currently-enrolled student-athletes also extend to all prospects.

If you have any questions about NCAA regulations pertaining to prospects who have signed an NLI, please do not hesitate to contact the Compliance Office at (919) 962-6000. The UNC Department of Athletics appreciates your efforts to comply with NCAA regulations.

**Sports Medicine**

**Policy Points:**

**Nutritional Supplements**

Nutritional supplements can be defined as anything one can purchase over the counter without a doctor’s prescription, at a pharmacy, retail store, gym, internet, etc. Supplement products range from multivitamins and minerals to energy and immune boosters, weight gainers, protein and amino acids, recovery aids, and anything that claims to enhance performance or overall health. Nutritional supplements are a multi-billion dollar industry that often targets high performing athletes with the lure of quick gains and unrealistic outcomes. The industry is not closely regulated for banned or harmful substances or sound manufacturing practices, therefore supplement use can be especially risky for collegiate athletes. The industry capitalizes on the drive and motivation of athletes but Sports Medicine has specific people and resources in place to help safeguard our athlete’s health and eligibility.

Our sports nutritionists are our point personnel in evaluating both individual and team purchased nutritional supplements. Supplements must be evaluated with consideration for health and performance as well as NCAA guidelines. The NCAA guidelines outline both permissible and impermissible ingredients as well as specifying an annually updated banned substance list. It’s important to recognize that purchasing or recommending supplements without proper evaluation can result in use that could be considered non-compliant or harmful. Below are some key points from our nutritional supplement policy:

- Student-athletes should consult directly with their team sport nutritionist or through the athletic training staff before taking ANY nutritional supplement.
- Any nutritional supplement purchased and provided by the team for the student-athlete’s consumption must be approved by Sports Medicine in advance of purchase and/or distribution.
- Nutritional supplements recommended for use by a student-athlete should be taken only after careful evaluation of the product for safety, efficacy, potency and for any NCAA banned substances has been completed.
- Student-athletes that are advised to use nutritional supplements must be informed of the potential risk of ingesting a NCAA banned substance due to the absence of federal regulations regarding nutritional supplements in terms of purity and accuracy of ingredients.

New Tar Heels

- Congratulations to men’s tennis coach Sam Paul and wife Rebecca on the arrival of their daughter, Madeline Jane “MJ” Paul. MJ arrived on Jan. 22 at 11:34 p.m., weighing 5 lbs, 11 oz.
- Congratulations to women’s basketball administrative assistant Jane High, who welcomed a second granddaughter, Ella Jane DeBruhl, on Jan. 27. The proud parents are Jane’s daughter and son-in-law, Laura and Andy, who live in Charlotte.

Retirement News

- Delaine Marbry retired in January after 31 years of service with UNC, more than 20 of those years in Athletics.
  She started at Memorial Hospital in May 1977 and went on to work in Student Health, the Exercise and Sport Science department and Nursing before leaving the workforce in 1988. She returned in March 1990, working in Athletics on a temporary basis before joining the Director’s Office full-time that September. She moved to Olympic Sports in June of 1991 and had worked there since.
  Delaine and her husband Gary have two sons, Michael and Trevor, and a new daughter-in-law, Anna.
- Anne Sadler retired from the Rams Club in January. She came to Athletics in September of 2004 and served as administrative assistant to Sue Walsh and Neal Harrell.
  Prior to joining the Rams Club, she had worked in the UNC system and also had taught public school. She and her husband Jim have four daughters: Bess, Anne Marie, Irene and Marian.
  The Carolina family wishes Delaine and Anne all the best in their retirements. Many thanks to both of them for their contributions to UNC!

Wedding Bells

Congratulations and best wishes to Shelly (Green) and Daren Streett, who were married Sept. 11 at Snipes Farm in Chapel Hill. (Yes, the department newsletter is a little behind on this news ...)

Shelly and Daren, an engineer for Qualcomm who designs cell phone processors, met while playing slowpitch softball in a league in Durham back in 2005.

In addition to a new name (yes, Shelly Green and Shelly Streett are the same person), Shelly also has a new position within the department. She is now the administrative assistant for men’s and women’s soccer, men’s golf, women’s tennis and track & field, replacing Delaine Marbry, who recently retired. (See story at left.) Shelly’s office is in the McCaskill Soccer Center.

All the best to Shelly and Daren!

Department News

- Congratulations to Amy Herman, who was promoted to Associate Athletic Director for Compliance, effective Feb. 1. Amy assumes all responsibilities associated with the compliance program.
- Brittany Holland has joined the staff at the football center, serving as the front desk receptionist. She is no stranger to UNC Athletics, as she is the oldest daughter of the Rams Club’s Janine Holland. Welcome, Brittany!
- Track and field’s Nadine Faustin-Parker and field hockey student-athlete Meghan Lyons were among those honored Feb. 13 as recipients of 2010 Village Pride Awards, which recognizes “Hometown Heroes.”
  Faustin-Parker was singled out for her humanitarian efforts in Haiti, and Lyons for her sun safety program and her efforts with UNC Lineberger Comprehensive Cancer Center.
  Other department members honored were Jan Boxill (Academic Support Program) and Tim Taft (Sports Medicine). Additionally, Dick Baddour’s son Allen was honored, as was Jaimie Lee’s grandmother, Lillian.
  Congratulations to all!

Please direct newsletter comments, suggestions, corrections and/or submissions for future issues to Dana Gelin

Jeffrey Camarati
• Athletic Communications, Staff Photographer

Born and raised: Parma, Ohio; home to some of the world’s best pierogi.

Education: Kent State University, B.S. Photojournalism, B.A. Political Science

Family: Sadly still single © … mom and stepdad, father and stepmom in Cleveland, Ohio area

Athletic background: Track and Cross Country; third grade through college, run with local running club, training for Krispy Kreme Challenge on Feb. 5

[Editor’s note: Jeff’s results = four miles, 12 doughnuts (all of which stayed down), 58 minutes]

Before your current position: I worked as a photographer at a few newspapers in Pittsburgh and Cleveland before moving to North Carolina. Have worked for local publications and news wire services.

Years in current position: Six on staff. Was a contractor from 2001-05

Job description: I provide the still images needed for all 28 sports from headshots and team photos to game action for TarHeel-Blue, media guides, posters, etc.

What is something about your job that other people would be surprised to know? I get the opportunity to meet and talk with every single UNC student-athlete each year.

What’s the best thing about your job? Being able to split my time between quietly editing in my office and the excitement that surrounds UNC athletic events. It is great to be a part of the emotion of competition and I love to see student-athletes I know and like do well.

Favorite pastimes: Running, skydiving (almost 200 jumps) and traveling (I have been to 30 countries and counting)

Favorite restaurant: Trattoria Alla Madonna in Venice, Italy

Favorite book: Hallucinating Foucault by Patricia Duncker

Favorite TV show: I do not watch a lot of television, but I do enjoy programs on the History Channel and National Geographic.

Last movie you saw and grade you’d give it: I just watched The Guns of Navarone again and give it a high A.

A fun fact about you: I have seen Rocky Horror Picture Show too many times to count.

Pet peeve: People who refuse to do outdoor activities due to inclement weather. I love to run in the rain or snow and do not care to stay inside.

Dream job: I want to become a mayor of a small town because my hobbies include public finance and city planning.

Greatest athletic achievement: A tie between having run a 48-second 400-meter race and scoring on an inside-the-park homerun in kickball last summer.

What would you do with a completely free day? I have wanted to go kayaking for some time so I would head on out to Jordan Lake and try it out.

See CAMARATI, page 4

Kaye Koenig
• Receptionist, Carmichael Arena

Born and raised: Born in Edenton, NC. Grew up in Kinston, NC.

Family: One daughter, two sisters

Athletic background: Didn’t compete in sports but grew up as a coach’s daughter so athletics has been a way of life for me.

Before your current position: Worked 20 years at the NCHSAA. Prior to that, five years with Rams Club.

Years in current position: Four

Job description: Operate switchboard, greet visitors to the facility and operate gate on Carmichael driveway.

What is something about your job that other people would be surprised to know? If they haven’t been in Carmichael since the renovations, I think they would be pleasantly surprised to see how great the facility looks.

What’s the best thing about your job? Working in the Athletic Department with so many great people and getting to see/visit with people coming to visit the facility.

Favorite pastimes: Gardening, watching sports, reading

Favorite restaurant: Currently Firebirds, but there are lots I love

Favorite book: Pride and Prejudice

Favorite TV shows: NCIS. Also like Criminal Minds, The Good Wife, and Brothers & Sisters

Last movie you saw and grade you’d give it: Actually watched a rerun of 1962 release of The Miracle Worker this weekend. One of my favorite movies so it’s definitely an A+

A fun fact about you: My father played baseball at Carolina and my mother was secretary to Coach Bob Fetzer. I have a sister who also worked in the department, and in November, 2010, my daughter, Sara Koenig, joined the Athletic Department staff. Truly Tar Heels born and bred!

Pet peeve: Negativity

Dream job: At this point in my life I’m not seeking a dream job, but I feel blessed to have had a 20 year career at the NCHSAA that I loved. Not everyone experiences that. Now I enjoy being retired and only working part-time.

Greatest athletic achievement: Being inducted as an honorary member of the N.C. High School Football Coaches Association.

If you could have dinner with anyone, who would it be and why? Definitely my parents, who both died when I was in my 30’s.

What’s a little-known talent that you have? I can “dance like no one’s watching”!!!!!!

What would be your dream vacation? While I have taken some great trips, my favorite vacations now are camping in the Blue Ridge Mountains!

If you won the lottery, what’s the first thing you’d buy? A house in Blowing Rock, a Fellowship Hall for my church, the Bentley Bed & Breakfast in Kinston.

Helping Heels Care Provider List
The spring 2011 Helping Heels Care Provider List is now available on the Human Resources website. This list includes UNC-Chapel Hill affiliated individuals who are interested in providing part-time and occasional child care, elder care and/or pet sitting services.

The responsibility for the screening process rests solely and completely with caregivers and the person hiring them. Although we have listed skill information submitted on provider registration forms, we remind you that providers may not necessarily be trained to care for persons who have medical or psychiatric conditions requiring specialized care. The Helping Heels Care Provider List includes detailed information about providers, including UNC affiliation, provider experience, availability and access to transportation, so that you can make a more informed choice about whom to call. The list is searchable by clicking on the Search (binoculars) button in Adobe Acrobat. The Helping Heels Care Provider List will next be updated for the summer.

If you have any questions, contact Aimee Krans, Work/Life Manager, at 962-6008.
