UNC 8th in Directors’ Cup
NC State Defense, women’s soccer and women’s lacrosse and five other Top 10 national finishes led UNC to eighth place in the NCAA Directors' Cup standings. It was the Tar Heels' fifth consecutive Top 10 performance.

Carolina compiled 1075.33 points, including 100 each from women's soccer and women's lacrosse. UNC's other top 10 NCAA finishes included field hockey (second, 90 points), baseball (third, 83 points), men's soccer and women's tennis (both fifth, 73 points) and men's lacrosse (fifth, 60 points).

Women's swimming (12th), fencing (13th), men's basketball (17th), women's basketball (17th) and volleyball (17th) also posted Top 20 performances.

Carolina finished in eighth place in the Directors' Cup for the second consecutive year. This is UNC's 17th Top 10 finish in the 20-year history of the award. Only Stanford, Florida and UCLA have more Top 10 finishes than the Tar Heels.

The Cardinal won the 2012-13 Directors' Cup with 1261.25 points. This is the 19th consecutive year Stanford has won the Cup, following UNC's win in 1993-94. Florida was second. UCLA, Michigan, Texas A&M, Penn State, Oklahoma, North Carolina, Notre Dame and Georgia round out the Top 10.

UNC was the highest finishing ACC school for the 15th time in 20 years. Florida State (11th), Duke (12th) and Virginia (20th) joined the Tar Heels in the Top 20. Carolina is the only ACC school to finish in the Top 20 in each of the award's 20 seasons.

Final 2012-13 Standings:
1. Stanford (1261.25 points)
2. Florida (1244.75)
3. UCLA (1227.25)
4. Michigan (1138.25)
5. Texas A&M (1131.50)
6. Penn State (1100)
7. Oklahoma (1078.25)
8. North Carolina (1075.33)
9. Notre Dame (1015.50)
10. Georgia (1006.75)

Turning the ESPYs Red Carpet Blue
UNC was honored at the ESPY Awards in Los Angeles on July 17 with the formal presentation of the 2012-13 Capital One Cup for women's sports. Two Tar Heels – soccer's Crystal Dunn and lacrosse's Kara Cannizzaro, both of whom led their teams to NCAA titles – were finalists for the Best Female Collegiate Athlete ESPY.

In addition to Dunn and Cannizzaro, Tar Heels walking the red carpet were women's lacrosse senior Jessica Griffin; women's lacrosse coach Jenny Levy and her husband, Dan; women's soccer coach Anson Dorrance; Athletic Director Bubba Cunningham; and Senior Associate Athletic Director Rick Steinbacher, who serves as the primary administrator for women's lacrosse. Also joining the fun were members of Crystal's and Kara's families.

• Ticket Office
Gearing Up for Fall
After a busy spring which included hosting NCAA events for men's lacrosse, women's lacrosse, women's tennis and baseball, the Ticket Office is gearing up for the 2013-2014 academic year. Individual game tickets for football are already on sale and season tickets will be mailed towards the end of the month. Be sure to look out for information regarding your complimentary season tickets.

In addition to football, men's and women's soccer season tickets are now available. With both teams coming off successful seasons, we are hoping for record breaking crowds in Fetzer this fall! Don't forget you can gain admission to any regular season soccer game by showing your UNC OneCard at the gate.
Wedding Bells

- Congratulations to Melinda Joines (football office), who married Gunnery Sergeant Ryan E. Anderson of the United States Marine Corps on June 20th at Castle McCulloch in Jamestown, N.C.

Melinda has worked in the football office since 2007. Ryan has 18 years of active duty service with nine deployments including three tours in Afghanistan and two tours in Iraq.

Best wishes to the Andersons! And thank you Gunnery Sergeant Anderson for your service.

- Congratulations to Ginny Ellis (Rams Club), who married Josh French on June 1 in her hometown of Maryville, Tenn.

The two met in college at Carson Newman in Jefferson City, Tenn. Ginny, now Ginny French, has worked with Tar Heel Athletic Hospitality for the past year and a half.

Best wishes to the Frenches!

Warm Welcomes

- Abel Sánchez, a 2000 Summer Olympics participant and three-time All-America at the University of Michigan, is UNC’s new diving coach.

He comes to Carolina from the University of New Mexico, where he has served as the diving coach since 2004.

At New Mexico, he was the 2011 and 2012 Mountain West Conference Coach of the Year. He coached six Mountain West Conference champions, two NCAA All-Americans, 37 MWC finalists and three performers who won MWC Diver of the Year accolades. He has coached divers who have been either finalists or medalists at the World University Games, the Commonwealth Games, the Canadian Nationals and the Russian Nationals.

At Michigan, Sánchez was a four-time All-America (twice first team, twice honorable mention) and an Academic All-America. He placed in the top 10 at the NCAA Championships twice, finishing as high as fourth, and was also a five-time All-Big Ten Conference honoree. He helped Michigan to four consecutive Big 10 titles and a national championship.

Sánchez graduated from Michigan in 1995 with a degree in communications. He earned a master’s degree in architecture from New Mexico in 2011.

Sánchez went on to represent Peru, his father’s home country, on threemeter springboard and platform at the 2000 Olympic games in Sydney. He was an eight-time finalist at the U.S. Diving Nationals, and a five-time finalist in the FINA Grand Prix circuit.

Sánchez joined the Lobos after coaching the Mission Viejo (Calif.) Nadadores Diving Team. Previously he served as a member of coaching staffs at Team Orlando Diving (Fla), L’Equipe Diving (Irvine, Calif.) and The Woodlands Diving Academy (Texas).

Sánchez is a native of Holland, Mich. He and his wife, Leanne, have two daughters, Bryze and Maizie, and a son, Rio.

- Mary Rob Plunkett, a former department intern, has returned to the operations staff as Assistant Director of Event Management.

A graduate of UNC’s Sport Administration master’s program, she left Chapel Hill in April for an internship with the USGA, working at the U.S. Open at Merion Golf Club in Ardmore, Pa. There she served as the Operations Administrative Intern.

Welcome, Abel, and welcome back, Mary Rob!

Fond Farewells

- Rachel Penny has left the Sports Marketing office. She is headed to get her MBA at the University of Virginia’s Darden School of Business.

- Brian Stallings has departed from the Outdoor Facilities staff.

- Dave Schmidt has left the Athletic Communications staff, relocating to Athens, Ga., for his wife’s new teaching position at the University of Georgia.

All the best to Rachel, Brian and Schmitty – you will be missed!

O, Lohse!

Displaying one of his many talents, Dave Lohse (Athletic Communications) sang the Canadian national anthem, “O Canada,” at the Major League Lacrosse All-Star Game in Charlotte on July 13.

No, he’s not Canadian, but all reports are (and videos on Facebook confirm) that he did a fabulous job. This despite the fact he was singin’ in the rain. Or maybe because of it.

Go, Dave!

Welcome, Abel, and welcome back, Mary Rob!

UNC Finley Golf Course

A Great Way to “Get Golf Ready”

Thinking about taking up golf? UNC Finley Golf Course offers a PGA program called “Get Golf Ready” that’s a great way to start. Taught by Frank Maynard, the five-week course is a very accessible introduction to the game of golf, suitable for those with no golf background at all, as well as those who know the basics but want to improve.

The next class begins on Aug. 19 and registration is now open at Active.com. Search “Get Golf Ready Finley” or go straight to registration with this link:

State Health Plan Changes
The State Health Plan Board of Trustees approved a change in the benefit year to a calendar year (Jan. 1 – Dec. 31). To transition to the calendar year benefit period, the current benefit period will only last six months: July 1 – Dec. 31, 2013. As a result, employee deductibles and out-of-pocket maximums will be reduced by one-half during this shortened benefit period. The deductible and out-of-pocket maximums will reset to the full amounts when the new calendar year benefit period begins on Jan. 1, 2014.

For more information about the State Health Plan, please visit www.shpnc.org.

NEW PLAN OPTIONS FOR 2014: The State Health Plan has proposed new plan options that would be effective Jan. 1, 2014. The specific changes and premiums associated with the new options will be communicated this fall during a second annual enrollment period.

Online State Health Plan/NCFlex Enrollment Platform Change
Effective July 1, the State Health Plan of North Carolina (SHPNC) and NCFlex will share a single portal for benefit plan changes and enrollment.

Faculty/Staff will log on to http://unc.hrintouch.com/ to enroll, change and manage all of their NCFlex and State Health Plan benefits.

For assistance with NCFlex and SHPNC enrollment, contact the Benefitfocus Eligibility and Enrollment Support Center for enrollment assistance at 855-859-0966, Monday through Friday from 8 a.m. to 5 p.m., beginning July 1.

When accessing the site, it will prompt you for your UNC Onyen and password. Once the Onyen login credentials are accepted, you will be able to enroll and/or make all necessary changes inside this one portal.

Generally, there are three times when you can enroll in or may be able to change your benefits elections at the University:
- As a newly hired or newly eligible faculty or staff member
- After experiencing a qualified job or family status change
- Annual enrollment

You have a 30-day window from the date of your event (i.e. new hire, job or qualified family status change) to enroll, unless specified otherwise. It is to your advantage to enroll in each benefit plan as soon as you are eligible.
Nate Hilton

- Building Environment Technician for The Blue Zone/Loudermilk Center for Excellence

**Born and raised:** Born at UNC Hospital and raised here in Chapel Hill

**Education:** Northwood High School, Class of 2005

**Family:** Dad – Reid Hilton, Mom – Vickie, brothers Jake (27) and Mike (my fraternal twin, 26)

**Athletic background:** I ran track and cross country in high school, and am a proud member of the U15 Chatham County Recreation Basketball League Championship Team!! Woot Woot!!!!

**Before your current position:** I worked in Chapel Hill as a lifeguard, pool manager, and swim lesson instructor at Heritage Hills Rec Club for about 10 years, and have been lucky enough to continue teaching swim lessons the last couple summers at the pool, as well as my parents’ lake. At UNC, I worked at Eddie Smith Field House with Jaci Field before coming over to Kenan to work in my current position.

**Current position at UNC and time in that position:** Building Environment Technician for The Blue Zone/Loudermilk Center for Excellence since Nov. 2011

**Job description:** A good portion of what I do is behind-the-scenes work to keep the building operating at a high level. I am also in charge of setting up for the various events that are held in The Blue Zone.

**What’s the best thing about your job?** It keeps me physically active throughout the entire day.

**Favorite pastimes:** Fishing, swimming, playing sports, watching really terrible horror movies on Netflix, caving in Virginia and West Virginia

**Favorite restaurant:** Olde Salty, at Carolina Beach, N.C.

**Favorite book:** *The Kite Runner*, by Khaled Hosseini, or any of the Harry Potter or Hunger Games books.

**Favorite TV show:** *Diners, Drive-Ins, and Dives*. But you have to eat food while watching the show or it’s a little tough to take.

**Last movie you saw and grade you’d give it:** *The Paper Boy*. That movie was crazy. I’d give it an ‘A’, awesome acting, but you gotta be prepared to see some things you may have never seen before.

**A fun fact about you:** This is more about my family/late grandfather Joe Hilton, who went to school here and later coached the track and field team for over 30 years. During the beginning of his coaching career, he developed a “thirst quenching” drink that helped all of his athletes stay hydrated and energized for longer than ever before, thus producing better results. It was basically lemonade with added sodium, potassium, etc.

**This would become known as “Joe Juice.”** Asking about all of this was going on in Chapel Hill, a research team from the University of Florida came to ask Coach Joe about what was in his “Joe Juice” that was making his athletes recover so quickly. He told them, and later that year they came out with Gatorade!

**Biggest pet peeve:** People with no drive or direction in life

**Dream job:** Professional angler

**Greatest athletic achievement:** Obviously I have to go with my U15 Rec League Basketball Championship performance. In the last minute of the game, I went 3/11 from the free throw line to seal the deal for my team ... Ic. In. My. Veins.

**What would you do with a completely free day?** Easy question. I would get up around 6:45 a.m. and come get a nice solid day’s work in at Kenan Stadium. I mean, either that or take my girlfriend, Georige, out to the lake and relax all day.

**What’s a little-known talent you have?** I am good at surfing, but only the little tiny waves at Carolina Beach, N.C.

**What would be your dream vacation?** My dream vacation would be traveling across Europe with Georgie for at least a month and seeing all of the cool sites.

**If you won the lottery, what’s the first thing you’d buy?** A dishwasher so I didn’t have to wash dishes so much!!!! I swear it’s like a second job. I honestly don’t know how I produce so many dirty dishes every day ...

Cannizzaro, Cooper Claim 2013 Patterson Medals

Kara Cannizzaro, who led Carolina to the school’s first NCAA championship in women’s lacrosse, and All-America offensive guard Jonathan Cooper are the winners of the 2013 Patterson Medals, the most prestigious athletic department award presented at UNC.

Cannizzaro won the Honda Award for women’s lacrosse and was the Most Outstanding Player in the 2013 NCAA Tournament after leading the Tar Heels to a triple overtime victory in the national title game against top-ranked Maryland. She had four goals in the national semifinals and four goals and two assists in the title game.

“Kara’s leadership and belief in herself and others echoed through the team huddles, willing us to keep fighting and believe we were going to win the national championship if it took all night,” said UNC women’s lacrosse coach Jenny Levy.

The senior midfielder from Cazenovia, N.Y., scored 157 goals and added 46 assists for 203 points in 81 collegiate games. As a senior, she established personal bests with 61 goals and 22 assists for a UNC single-season record 83 points.

Cannizzaro led the Tar Heels to the final four three times, helped UNC win 65 of 81 games and finish third, third, fifth and first in the national rankings in her four seasons. A two-time All-ACC selection, Cannizzaro also was the team’s Athletic Director’s Scholar-Athlete Award recipient as a senior.

“Kara worked relentlessly on her stick work, finishing skills and fitness,” says Levy. “Her performance this year was one of the most impressive I have seen. She was instrumental in practice and games, leading our team and helping develop what would become our margin of victory - a tough and relentless mentality. She fostered a fun and welcoming atmosphere that helped all players realize their full potential and our team develop an unwavering belief in itself.”

Cooper, a senior guard from Wilmington, N.C., started a Tar Heel record 48 games. As a senior, he led Carolina to an 8-4 record and a tie for first place in the ACC Coastal Division. He was a consensus first-team All-America and the No. 7 pick in the NFL Draft, but he also earned academic All-ACC honors and a postgraduate scholarship. He is the most athletic offensive guard I’ve ever coached. I told our coaches to enjoy watching him play, because we probably won’t see another player like him. He was an exceptional leader in the classroom and participated in all of our community service events. Jonathan has a bright future and he will always be a great representative of the University of North Carolina.”

The Patterson Medal is based primarily on career athletic accomplishment. Sportsmanship and leadership are also considered. The award was first given in 1924 by Dr. Joseph Patterson in memory of his brother, John Durand Patterson. The Patterson family continues to present the award.

Cannizzaro and Cooper will receive their Patterson Medals at ceremonies on dates to be determined during the 2013-14 school year.
